Guam Non-Profit Professional Services Providing
Outpatient and Intensive Outpatient Substance
Treatment for Adolescent Males and Females
GBHWC RFP 05-2016

AMENDMENT NO. 1

To: All Prospective Offerors

The above numbered and described solicitation is amended as set forth below:

Scope of Work, Page 18, Section II.3 ASAM Level II: Intensive Outpatient Services

- Change: To correct number of adolescents, II.3a shall now read, "Provide services to 8 to 16 adolescents at any given time."

Form C, Page 32, Affidavit Disclosing Ownership and Commissions

- Replace form as attached hereto to show lower part of the form that requires signatures and notary public acknowledgement.

Except as provided herein, all terms and conditions of the document referenced in the solicitation number above remain unchanged and in full force and effect.

Rey M. Vega, Director
July 13, 2016

Amendment #1 (7/13/2016)

- II.2g Incorporate provisions that will continue providing at least a minimum of four (4) hours a week for treatment sessions utilizing the Matrix Model For Teens curriculum (see www.nrepp.samhsa.gov/; incorporated herein as if fully rewritten).
- II.2h Make referrals for other services not provided by Contractor and outlined in client individualized treatment plans.
- II.2i Ensure adolescent females who are pregnant or who are intravenous drug users be given preference to treatment (45 C.F.R. §96.131).
- II.2j Provide provisions that will assess and implement motivational strategies that will assist clients with their transition towards the next level of care, as applicable.

II.3 ASAM Level II: Intensive Outpatient Services

- II.3a Provide services to 8 to 16 adolescents at any given time.
- II.3b Provide detailed provisions for making ASAM Level II Intensive Outpatient drug treatment groups accessible, adding evening and weekend schedules that includes detailed provisions for collaborating with a medical institution that will provide TB testing and necessary treatment (see 45 C.F.R. § 96.127 contained herein section VII).
- II.3c Provide detailed provisions for clients to receive HIV/AIDS/STDs education and available linkages for early intervention and treatment (see 45 C.F.R. § 96.128 contained herein section VII).
- II.3d Include provisions that will continue providing as least a minimum of six (6) hours a week for treatment sessions utilizing the Matrix Model For Teens curriculum (see www.nrepp.samhsa.gov/; incorporated herein as if fully rewritten).
- II.3e Demonstrate experience with the necessary techniques for an Intensive Outpatient level of care.
- II.3f Provide provisions that will address clients needing psychiatric and medical services by consultation or referral arrangements.
- II.3g Ensure adolescent females who are pregnant or who are intravenous drug users be given preference to treatment ((See 42 U.S.C. §300x-22(b)(1)(C) and 45 C.F.R. §96.124(c)(e))(incorporated herein as if fully rewritten).
- II.3h Provide provisions that will assess and implement motivational strategies that will assist clients with their transition towards the next level of care.
- II.3i Comply with Charitable Choice Regulations (42 C.F.R. Part 54) should service provider be a faith based organization. If a client objects to a religious character of the faith based organization then the participating faith based organization shall, within a reasonable time after the date of such objection, refer such individual to an alternative provider. The service provider shall keep all referral records that may be reviewed upon a program evaluation by the GBHWC.
