RFP 2022-07 and RFP 2022-08

To: All Registered Parties and/or Prospective Offerors

Please be informed that on September 29, 2022, GBHWC received questions that are answered as follows.

Question	GBHWC Answer
<p>No. 1. <i>"Form E – Sample Contract on RFP 2022-07 was not included."</i></p>	<p>No. 1. It is provided in Proposal Amendment No. 2022-07-A03 that is posted on our website: <a href="http://www.gbhwc.guam.gov">www.gbhwc.guam.gov</a></p>
<p>No. 2. <i>"On the federal reporting portion for both RFPs, it indicated the date is December 29, 2022, for the 90-day report. Is this for this grant or is it for FY 23, the new grant? Also, my question also applies to the December 1 annual report. I am attaching the pages for clarity."</i></p>	<p>No. 2. The FAR requirement is for GBHWC not the service provider.  On the annual report, the service provider is required to submit data that is needed from Fiscal Year 2022.</p>
<p>No. 3. <i>"The date that indicated December 1, 2021., is the date correct?"</i></p>	<p>No. 3. No. The December 1, 2021 is a wrong date. It is December 1, 2022.</p>
