The role of Guam Behavioral Health and Wellness Center (GBHWC), as the single state entity, is to provide mental health services to the population of Guam either as a direct provider of services or contract services out and have a regulatory role.

OUR MISSION
To provide culturally respectful, quality behavioral health services that support and strengthen the wellbeing of the persons served, their families and the community in a safe environment.

OUR VISION
A healthy island committed to promoting and improving the behavioral health and well-being of the community.

STRATEGIC GOALS
→ Continuously provide and expand comprehensive community-based behavioral health services.
→ Expand community partnerships to effectively meet the needs of the island community and to increase the public’s awareness of behavioral health issues,
→ Effectively re-integrate consumers into the community. Provide safe, effective and evidence-based behavioral health services that will improve the quality of consumer care.

LEADERSHIP

In 2019, Arriola and Pangelinan were appointed by the Leon Guerrero Tenorio administration to serve as Director and Deputy Director of Guam Behavioral Health and Wellness Center. Under their leadership, with a support staff of 243 employees, about 68% of which provide direct care services. GBHWC continues its mission to improve access to critical behavioral health services.

*These services are provided by several federally funded grant programs to include: Mangaige Ham (We Are Here), Emergency COVID-19 Grant, and Emergency Response for Suicide Prevention (ERSP). See COVID-19 highlight on page 4 for more details.*
Expenditures are broken down into four major categories: Administration, Clinical Services Division, Child Adolescent Services Division (CASD), and Nursing Services Division. Administration includes all Professional Support Unit medical staff: Psychiatrists, Psychologist, Pharmacists, and Medication.

GBHWC is funded by the Government of Guam’s General Fund and Healthy Futures Fund for base operations. This information is derived from those appropriations/expenditures for the years indicated.

GBHWC continues to aggressively pursue federal funding through grant opportunities that are aligned with its overall mission and vision. This additional funding allows GBHWC to augment existing support services.

- MILESTONES & OUTLOOK
As a result of hiring a full-time pharmacist in 2019, the total number of prescriptions filled at GBHWC increased by 206%.

**COVID-19 HIGHLIGHT**

GBHWC remained committed to serving the community by adhering to new operational norms while expanding its reach to accommodate the increased demand for mental health services, both of which were a direct result of the Covid-19 pandemic. Such services include the implementation of telehealth services, the establishment of 24/7 crisis hotline and intake services, and the opening of an isolation home known as the Warrior Unit for COVID-19 positive consumers.

Additionally, GBHWC held its first annual virtual regional conference on substance use disorders among Pacific Islanders.

**OUTLOOK**

1. Achieve CARF re-accreditation for another three years
2. Open GBHWC’s 3.7 Drug and Alcohol Detox Unit
3. Develop behavioral health and substance use programs at Department of Corrections
4. Establish a doctoral Psychology Internship Program to recruit psychologists for GBHWC
