WHEREAS, the Drug & Alcohol Branch (D & A) branch's mission/philosophy, mandated by Guam Public Law 17-21 to provide comprehensive inpatient/residential and community-based outpatient substance abuse treatment programs and services for the people of Guam; and

WHEREAS, the GBHWC has provided adequate public announcement of the need for such service through a request for proposal (GBHWCRFP04-2019) describing the type of services required and specifying the type of information and data required of each offer and the relative importance of particular qualifications; and

WHEREAS, the Service Provider has submitted its proposal and interest in providing such services; and

WHEREAS, the award of this contract to the Service Provider has been made pursuant to a written finding by the GBHWC that the Service Provider is qualified based on the evaluation factors set forth in the request for proposal, and that negotiations of compensation have been determined to be fair and reasonable; and

NOW THEREFORE, the GBHWC and the Service Provider, in consideration of mutual covenants hereinafter set forth, agree as follows:

SECTION I.
PURPOSE

To provide residential rehabilitation and social detoxification substance treatment services for adult males.

SECTION II.
SCOPE OF WORK

The Guam Opioid Response Project (GORP) aims to address the opioid crisis by increasing access to medication-assisted treatment using the three FDA-approved medications for the treatment of opioid use disorder, reducing unmet treatment need, and reducing opioid overdose related deaths through the provision of prevention, treatment and recovery activities for opioid use disorder (OUD) (including prescription opioids, heroin, and illicit fentanyl and fentanyl analogs). These grants will be awarded to states and territories via formula. The program also includes a 15 percent set-aside for the ten states with the highest mortality rate related to drug overdose deaths.
